

TABLE OF CONTENTS

Officers, 1988	iii
Past Presidents, Distinguished Life Members, Executive Board Districts and Future Convention Dates and Cities	iv
Policy Statement Regarding Publication in this Proceedings of Material Presented at the 1988 Convention of this Association	v
Section Chiefs for 1988 Program	vi
Reviewers	vi
Foreword	vii

PART I

Colic

Predisposing Factors and Surgical Evaluation of Large Colon Volvulus in the Horse Jack R. Snyder, John R. Pascoe, Dennis M. Meagher and Sharon J. Spier	21
Clinical Experience with Subtotal Large Colon Resection in the Horse (1986-1988) Jay Rose, Ethel M. Rose and P. Robin Peterson	29
Colopexy of the Equine Large Colon: Experimental and Clinical Results Mark D. Markel, Dean W. Richardson, Dennis M. Meagher, Michael S. Spensley and Claude A. Ragle	45
Studies on Equine Enterolithiasis H. F. Hintz, J.E. Lowe, P. Livesay-Wilkins, H.F. Schryver, L.V. Soderholm, B.C. Tennant, H.M. Hayes, K. Lloyd, V. Buechner, C. Liskey and J.D. Wheat	53
Gastric Ulceration in Horses with Colic Michael J. Murray	61
A Retrospective Comparison of Surgical to Medical Management of Proximal Enteritis in the Horse Brian Leeth and James T. Robertson	69
Medical Management of the Colic Patient Nathaniel A. White, II	81

Sports Medicine

- Current Methods for the Analysis of Locomotion and Their Potential Clinical Applications**
Marc H. Ratzlaff 99
- A Review of Bucked Shins and Metacarpal Stress Fractures in the Thoroughbred Racehorse**
Susan M. Stover, Roy R. Pool, Joe P. Morgan, R. Bruce Martin
and Kim Sprayberry 129
- A Kinematic Investigation of the Effect of a Cohesive Elastic Bandage on the Gait of the Exercising Thoroughbred Racehorse**
Calvin N. Kobluk, Luis Martinez del Campo, Kjersten A. Harvey-Fulton,
Christopher J. Libbey and James Walton 135
- Physiology of Airflow in the Athletic Horse**
Frederik J. Derksen 149
- The Dynamic Evaluation of Upper Respiratory Function in the Exercising Horse**
Elisabeth A. Morris and Howard J. Seeherman 159

Broodmare

- The Role of PGF-2 in Embryonic Loss Following Systemic Infusion of *Salmonella Typhimurium* Endotoxin in the Mare and the Protective Action of Altrenogest and Flunixin Meglumine**
Peter F. Daels, G.H. Stabenfeldt, J.P. Hughes, H. Kindahl
and K. Odensvik 169
- Ultrasound Guided Fetal Cardiac Puncture: A Method of Twin Reduction in the Mare**
Norman W. Rantanen and Ben Kincaid 173
- Gonadotrophin Releasing Hormone (GnRH) Delivered by Continuous Infusion Induces Fertile Estrus in Mares during Seasonal Acyclicity**
J. H. Hyland, G. G. V. Ainsworth and D.A. Langsford 181
- The Use of Prostaglandins in Broodmare Practice**
A.C. Asbury 191
- A Review of Clinical Applications of hCG on Breeding Farms**
Kirk A. Shiner 197
- Progesterone/Progestin Therapy in the Broodmare**
Dean P. Neely 203

Estrogens, Oxytocin and Ergot Alkaloids - Uses in Reproductive Management of Mares	
D. D. Varner, T.L. Blanchard and S.P. Brinsko	219
 General Surgery	
Types of Tendon and Ligament Injuries Detected with Diagnostic Ultrasound: Description and Follow-up	
Virginia B. Reef, Benson B. Martin and Andrew Elser	245
Long-term Effects of Surgical Treatment of Superficial Flexor Tendinitis by Superior Check Desmotomy	
L. R. Bramlage, N.W. Rantanen, R.L. Genovese and L.E. Page	see Part IV
Surgical Management of Difficult Foot Problems in the Horse: Current Concepts	
Clifford M. Honnas, Dennis M. Meagher and Robert L. Linford	249
Current Treatment Methods for Angular Limb Deformity Problems in the Foal	
Joerg A. Auer	263
Intra-articular Infection following Intra-articular Injection of Medication: Diagnosis, Possible Etiologic Factors and Prevention	
Scott B. Gustafson and C. Wayne McIlwraith	283
Quantitative Analysis of Support Bandages in Horses	
William H. Crawford	see Part IV
Injuries to the Cranial Cruciate Ligament and Associated Structures	
Marta Prades, Tracy A. Turner, Alan J. Nixon, Murray P. Brown and Barrie D. Grant	see Part IV
Fragmentation of the Distal Patella in Horses - A Complication of Medial Patellar Desmotomy	
C. Wayne McIlwraith	see Part IV
Incidence, Location and Classification of 371 Third Carpal Bone Fractures in 313 Horses	
R. K. Schneider, L. R. Bramlage, A.A. Gabel, L.M. Barone and B.M. Kantrowitz	see Part IV
 Seminar - Specific Diseases of the Foot	
Peter F. Haynes, Presiding Officer	
Hoof Abnormalities and their Relation to Lameness	
Tracy A. Turner and Christine Stork	293

Proper Shoeing and Shoeing Principles for the Management of Navicular Syndrome	
Tracy A. Turner	299
Treatment of Equine Canker	
Tracy A. Turner	307
Complicated Laminitis	
R.F. Redden	311
A Method for Treating Club Feet	
R.F. Redden	321
Treatment of Distal Phalanx Fractures in Racehorses Using a Continuous Rim-type Shoe	
William Moyer and Rob Sigafoos	325
Management of Proximal Incomplete Quartercracks in Standardbred Racehorses	
William Moyer	329
Chronic Subsolar Bruising	
William Moyer	333
Radiology	
Exercise-related Sclerosis in the Third Carpal Bone of the Racing Thoroughbred	
Annalisa Young, Timothy R. O'Brien and Roy R. Pool	339
Radiographic and Histologic Assessment of Proximal Sesamoid Bone Changes in Young and Working Horses	
Paul W. Poulos, Jr.	347
Comparison of Bone Scintigraphy and Radiography as Aids in the Evaluation of Equine Lameness: Retrospective Analysis of 275 Cases	
C. R. Lamb, P.D. Koblik, M.W. O'Callaghan and J.C. Mariner	359
Radiographic Evaluation of the Calcaneus in the Horse: A Retrospective Study	
John S. Mattoon and Timothy R. O'Brien	369
Seminar - Selected Lameness Problems	
Charles D. Vail, Presiding Officer	
Elusive Lamenesses in Racing Thoroughbreds	
T. D. Brokken and Ben Franklin	383
Acute Carpal Canal Injury in the Thoroughbred	
Thomas D. Brokken	389

Degenerative Disease of the Proximal Interphalangeal (Pastern) Joint in Performance Horses	
Terry D. Swanson	393
Degenerative Disease of the Metacarpophalangeal (Fetlock) Joint in Performance Horses	
Terry Swanson	399
Lameness Associated with the Stifle in Performance Horses	
Terry D. Swanson	403
Proximal Suspensory Desmitis	
William Moyer, Troy S. Ford and Michael W. Ross	409
Treatment of Distal Tarsitis in Harness Horses	
William Moyer	413
Traumatic Pedal Osteitis (TPO) in Racehorses	
William Moyer	417
Respiratory	
Bronchoalveolar Lavage in the Horse	
Corinne R. Sweeney, Yves Rossier and Ellen L. Ziemer	See Part IV
Fungal Pneumonia in the Horse	
W. W. Ruoff, Jr.	423
Recent Observations on Recurrent Laryngeal Neuropathy in the Horse: Applications to Practice	
W. Robert Cook	427
Recurrent Laryngeal Neuropathy: A Discussion of Dr. Cook's Paper	
John R. Pascoe	479
Dr. Cook's Response to the Opening of the Discussion	487
Upper Respiratory Endoscopy Panel - An Overview of the Issues	
Peter F. Haynes	491
Anesthesia/Emergency Care	
The Initial Management of the Acutely Injured Horse	
D. M. Meagher	501
Fluid Therapy in the Acutely Injured or Exhausted Horse	
James L. Becht	505

Anesthesia for the Compromised or Exhausted Patient T. W. Riebold and W. B. Schmotzer	509
Intensive Care for the Horse: Seven Years of Experience with 24-Hour Nursing Holiday V. Holmes and D.M. Meagher	519
Intensive Care in Private Practice A. T. Fischer, Jr.	see Part II
Injectable Anesthesia in Horses John C. Thurmon	529
Anesthetic Considerations for Dystocia and Caesarean Section in Mares David S. Hodgson	543
Foal Anesthesia David S. Hodgson	549
Clinical Experience with Isoflurane Anesthesia in Foals and Adult Horses James A. Rose, Ethel M. Rose and P. Robin Peterson	555
Clinical Evaluation of Detomidine Hydrochloride for Equine Reproductive Surgery A. O. McKinnon, E. M. Carnevale, E. L. Squires and W. Jöchle	563
Table Topics	
Clinical Significance of a Recent Serologic Survey on the Incidence of Potomac Horse Fever in California John E. Madigan, Elfriede DeRock and Robert P. Lavan	571
Treating Show Horses: American Horse Shows Association (AHSA) Rules - 1988 Update J.G. Lengel	see Part II
Surgical Repair of Equine Eyelid Lacerations James V. Schoster	see Part II
Selected Problems of Draft Horses as Compared to Light Horses Dallas O. Goble	see Part II
The Equine Electrocardiogram: Usage in Equine Practice Michael S. Miller	577
Chemotherapeutic Treatment of Larvae and Migratory Stages of Parascaris Equorum J. A. DiPietro and K.S. Todd, Jr.	see Part II

Preparation of Conjunctival Flaps in the Horse	
James V. Schoster	see Part II

American Quarter Horse Association (AQHA) Medication and Surgical Regulations Update	
Gary Griffith and G. Marvin Beeman	see Part II

PART II

Anesthesia/Emergency Care

Intensive Care in Private Practice	
A. T. Fischer, Jr.	591

Table Topics

Treating Show Horses: American Horse Shows Association (AHSA) Rules - 1988 Update	
J.G. Lengel	597

Surgical Repair of Equine Eyelid Lacerations	
James V. Schoster	601

Selected Problems of Draft Horses as Compared to Light Horses	
Dallas O. Goble	607

Chemotherapeutic Treatment of Larvae and Migratory Stages of Parascaris Equorum	
J. A. DiPietro and K. S. Todd	611

Preparation of Conjunctival Flaps in the Horse	
James V. Schoster	619

American Quarter Horse Association (AQHA) Medical and Surgical Regulations Update	
Gary Griffith and G. Marvin Beeman	627

PART III

The Effects of Drugs on Race Horse Performance	
Thomas Tobin and Thomas Wood	639

PART IV

Abstracts of papers in lieu of manuscripts presented at the Convention	655
--	-----

PART V

Poster Session	677
